

## **Limited Liability Statement**

**Dock Aid will not assume liability for damages occurring to boats due to insufficient manufacturing processes. Including, but not limited to: voids, non extruded fiberglass, weak/thin or inadequate gel coat thickness and all other manufacturing defects or poor manufacturing practices.**

**Furthermore: Dock Aid will not assume liability for damages occurring to boats due to user error/negligent operation procedures. Including, but not limited to: operating boat on or off dock at high speeds, hard impacts with or into dock, approaching or departing dock at excessive angles, and all other negligent operation situations.**
